

Joboffer

SERVICE TECHNICIAN INTERNATIONAL (m/f/d)

Full-time with immediate effect

If you want to work in a company with innovative products, creative minds, a pleasant working environment in beautiful nature, with flat hierarchies and never boring tasks and also want to make the world a little safer with your work, then you are exactly right with us!

LCTech GmbH is an established and fast-growing company with an international focus that develops and sells unique robotic systems and automated products for the preparation and analysis of food, feed, toxicological and environmental samples.

YOUR TASKS

- Installation, maintenance, repair, conversion and retrofitting of LCTech systems
- Troubleshooting - on site or online
- Training our international dealers on site or in-house on all activities related to the systems
- Telephone support for customers with questions about the systems
- Development of service documents or webinars/seminars for further optimisation of the service area

WHAT WE OFFER

You work from your home office or, if necessary, in the company in a small team that organises itself.

- Generous working hours and holiday arrangements
- Attractive salary plus Christmas bonus
- Neutral company car also for private use
- Supplementary company health insurance
- Contribution to the company pension scheme via a direct insurance policy
- Free coffee and mineral water in the company
- Extensive training

YOUR PROFILE

- You have completed training as a mechatronics technician, CTA or technician or have a comparable qualification.
- You are technically gifted, enjoy chemical-technical contexts and like working with a wide variety of software programmes
- You enjoy working with people, have a strong customer orientation and want to support them in the best possible way.
- Your high willingness to travel, combined with a good command of English and the necessary flexibility, makes you keen to develop your intercultural competence.
- You are a team player, self-motivated and reliable. Preferably experience in international service. Driving licence class B (old class 3)

Your career
at LCTech

DOES THAT SOUND GOOD?
