Are You Keen on Working at LCTech?

LCTech GmbH is a well-established and fast growing company with international orientation.

We develop and distribute unique robotic systems and automated products for the preparation and analysis of food, feed, toxicological, and environmental samples.

You would like to work for us on a position that is not advertised?

Then send us your unsolicited application, preferred by e-mail, to bewerbung@LCTech.de.

LCTech GmbH
Daimlerstraße 4
84419 Obertaufkirchen
Germany

As of: September 2021
