## ISO 9001:2015

LCTech is quality conscious and, accordingly, ISO 9001:2015 certified from development through to manufacture. All apparatus is CE-tested and comply with the EU Machinery Directive 2006/42/EG and Council Directive of 17 May 2006 as well as the annexed directive 95/16/EC.

We are pleased to inform you that LCTech is recertified according to ISO 9001:2015.

Please find the certificates ready for download here:
