

## According to Directive 91/155/EU

### 1. Identification of the substance / product and of the company

- 1.1 Product name:** DONeX
- 1.2 Product number:** 12735 / 12792 / 12793
- 1.3 Application / relevant identified use:** Sample preparation / Mycotoxin analysis
- 1.4 Details of supplier:** LCTech GmbH  
Daimlerstr. 4  
D-84419 Obertaufkirchen  
Germany  
Tel. +49 8082 2717-0  
Fax +49 8082 2717-100
- Contact for technical spec. Laboratory Biotechnology

### 1.5 Emergency telephone number

*Emergency CONTACT (24-Hour-Number): GBK GmbH +49 (0)6132-84463*

### 2. Composition / ingredients

Material: activated charcoal, silica and aluminium oxide  
encapsulated in article

### 3. Hazard identification

Signal word: No signal word  
Hazard statements: -  
Precautionary statements: -

### 4. First aid measures

General advises: no  
After inhalation: not applicable  
After skin contact: washing hand thoroughly with water  
After contact with the eyes: not applicable  
After swallowing: not applicable

### 5. Fire fighting measures

Extinguishing media: not applicable  
Special hazards arising from  
the substance or mixture: not necessary

According to Directive 91/155/EU

Productname DOnEX, P/N: 12735 / 12792 / 12793

## 6. Accidental release measures

### 6.1 Personal precautions, protective equipment and emergency procedures

Not necessary

### 6.2 Environmental precautions

Not necessary

### 6.3 Methods and material for containment and cleaning up

Clean working area with water. Flush used water into drains.

## 7. Handling / storage

### 7.1 Precautions for safe handling

No special action necessary

### 7.2 Conditions for safe storage

Store at: +4 °C to +30 °C

Special advises for storage: Do not freeze

## 8. Exposure controls / personal protection

General protection advises: Keep away and do not mix with food stuff.  
Dirty clothes/coats should be washed before reusing.  
After work wash hands thoroughly.

Respiratory protection: not necessary

Protection of hands: the usage of appropriate gloves is advisable.

Protection of eyes: not necessary

## 9. Physical and chemical properties

Not necessary

## 10. Stability and reactivity

Shelf-life: according to the appropriate storage conditions see package or certificate of analysis

Reactivity: no data available

According to Directive 91/155/EU

Productname DOnEX, P/N: 12735 / 12792 / 12793

## 11. Toxicological information

### Acute toxicity

Contains: Organosilicon compounds

Note: The hazard information listed is based on silica gel CAS Number 112926-00-8. To the best of our knowledge, the acute and chronic toxicological properties of bonded silica gels have not been investigated. This product contains diatomaceous earth or other naturally occurring forms of amorphous silica.

## 12. Ecological information

Emissions from ventilation or work process equipment should be checked to ensure they comply with the requirements of environmental protection legislation. In some cases, fume scrubbers, filters or engineering modifications to the process equipment will be necessary to reduce emissions to acceptable levels.

## 13. Disposal considerations

Disposal recommendations: Please observe local regulations for collection and disposal of hazardous waste.

Outer packing: paper waste

## 14. Transport information

No restrictions

## 15. Regulatory information

Labelling according to EU regulation:

Letter for toxicity identification: not necessary

Chemical safety assessment: not necessary

National labelling and toxicity identification: -

**According to Directive 91/155/EU**  
**Productname DOnEX, P/N: 12735 / 12792 / 12793**

## 16. Further information

LCTech GmbH provides the information contained herein in good faith being up-to-date of own realizations at revision time. This document is intended only as a guide to the appropriate precautionary handling of the material by a properly trained person using this product. Individuals receiving the information must exercise their independent judgement in determining its appropriateness for a particular purpose.
